Julie Williard, RN, NP-C

"Don't be alarmed", he said. "You are looking for Jesus of Nazarene, who was crucified. He is risen! He is not here. See the place where they laid him. But go, tell his disciples and Peter. He is going ahead of you to Galilee. There you will see him, just as he told you." Mark 16:6-7

Alleluia! Christ is risen indeed! What glory is ours to behold after the long 40 days of Lent. Our repentance is manifest in the glorious resurrection of Christ.

We made it to Jerusalem by Easter morning! Our diligence and hard work paid off. To those of you who turned in your miles, we walked a total of 7,254 miles in 11 weeks! If you walked one mile a week or 100, you had a part in this endeavor. If exercise was already a part of your everyday routine or you started anew, I extend the hand of fellowship to you and say, "Congratulations!" My hope for each of you is that you will continue to exercise and will see the benefits that it brings to your life- body, mind, and spirit.

I thoroughly enjoyed being a part of this journey with you- totaling up the miles and plotting our progress each week. I learned a bit about this wonderful world in which we live and the individuality of each country in terms of its people, language, culture, and religion. I encourage you to read the letters from the Episcopal Missionaries who as Disciples of Christ "wash the feet of others" as they reach out to those in need around the world. Remember that in all things, God gave you the freedom of choice- choose to make health a habit!

GRADUATING SENIORS

Is someone you know or love graduating from High School, College, Graduate or Post-Graduate studies? Each year we recognize the accomplishments of members and their immediate families in

our bulletin and newsletter. If you know someone graduating we ask that you please call the church office with the name, the institution they are received a degree from, what degree they have earned and any information about their plans.

Thrift Store News

In thanksgiving for your service as Thrift Shop volunteers, flowers were dedicated in your honor on Easter. Thank you for the service you perform for our outreach program.

Thank you to the workers who came to the workday on May 2. The shop is really looking good thanks to them and those of you who keep the store each Friday and Saturday.

We will not open on the Friday or Saturday of Memorial Day.

Call Julie if you need to change your work schedule. WE CAN ALWAYS USE MORE WORKERS, ESPECIALLY COUPLES, BE IT SPOUSE OR FRIEND.

The Canterbury Club at West Georgia held a Clothing Drive for St Margaret's Thrift Store, where they collected more than 190 articles of clothing (from baby clothes to cowboy boots and everything in between)!

SUPPORT PEOPLE DEVASTATED BY U.S. STORMS

Extreme weather has killed hundreds and destroyed thousands of homes and buildings across the Southeast. A group of tornadoes struck six states on April 16, with North Carolina the worst hit. On April 27, over 100 more swept through five states, with 200-plus deaths in Alabama alone. States of emergency were declared from Alabama to Virginia, and severe storms and flooding are also forecast for the Great Lakes and Ohio Valley.

Episcopal Relief & Development has been in contact with the Episcopal Dioceses of Alabama and Atlanta and is standing ready to assist. In Alabama, churches are starting to respond to needs as the diocese continues assessing the situation. In the Diocese of Atlanta, families at a number of parishes were affected by the storms, and several churches are involved in relief efforts, including providing temporary shelter and food.

In the Episcopal Dioceses of East Carolina and North Carolina, Episcopal Relief & Development is supporting 16 congregations in ministering to impacted people. For example, St. Thomas' Church in Windsor, a rural community not served by major disaster response agencies, is meeting needs through providing vouchers for essential items, temporary shelter, pastoral care and funeral expense support for grieving families.

"After this sort of traumatic event, people deeply need spiritual support," said Katie Mears, Program Manager for US Disaster Programs. "Local churches, like St. Thomas', can provide a safe space to talk through the grief and loss that people are feeling, and the churches can also work with families to meet their immediate physical needs."

As inclement weather continues battering the country, please pray for people at risk, those who have lost loved ones and homes, and responders working to save lives and address needs.

To support these efforts, please fill out the coupon below and mail it with your check or credit card information. Thank you for your compassion and prayers.
