## LENT 2010

This year's Sunday school wide outreach project is to pray for the people of Haiti and to collect money for the Haiti Fund at Episcopal Relief and Development. On the first Sunday of Lent, all students were sent home with a "Hope Chest for Haiti" to collect change in through Easter. Students also wrote prayers for Haiti that they will use throughout Lent as a class. If you missed class last week, don't worry – you can pick up your "Hope Chest" any Sunday in Lent. Here are two of the prayers written in the oldest classes:

Heavenly Father,

We give our change in the hopes that it can help bring change in the lives of the people of Haiti. May they be blessed with food, shelter, peace and good health. May their faith not be weakened, but made stronger. Let their faith and the generosity of others help them to realize that things will get better.

In your name we pray, Amen.  
(J2A class – 9<sup>th</sup> & 10<sup>th</sup> Grade)

Lord God,

Please help the people of Haiti feel your arms wrap around them tightly. Help them to know your love, strength and power. Give those in need the strength to accept the help offered and the ability to look to the future with hope. Give the people of Haiti the strength to rise from the rubble without their faith failing. Bring peace, support, love, and care to our brothers and sister. Shine your light on those who are suffering and lost. Give guidance and strength. Yours are the eyes with which Christ looks with compassion on the world. Grant strength to the survivors, endurance to those who search, hope to those who wonder and rest to those who didn't return to their families.

Return to the Lord your God for he is gracious and wonderful. AMEN.
